Cradled in love's tender gaze the Child Coos a melody While Angels sing the Promise fulfilled. May you come to know the God-presence you carry this Christmas and share the joy!

Christmas Tree Blessings

You grace us with the promise of life in a season of darkness. As it shows us the beauty and the holiness of all Life. May its joyful presence give us courage to open our hearts, that we, too, may help all to see the good and holy. May God's Spirit come upon all who see this tree, so that-God's love and desire to save may be celebrated this day and in all to come. Amen
